

Thursday, January 14, 2010

Dear Sir or Madam,

I am interested in a position with your fine organization. My resume is enclosed.

I am a 1999 graduate of Eastern Illinois University with a Bachelor of Arts degree in speech communication with a radio, TV, and film concentration.

Over the past six years, I have designed and maintained personal and non-profit Web sites, including sites for Neoga Pole People Online (Neoga, IL), Immaculate Conception Catholic Church in Mattoon, IL, and a call-in radio talk show I hosted and produced from September 2004 until September 2006 on a station called "The Odyssey."

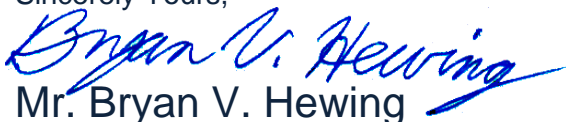

I have produced video segments and have experience in logo design.

I am currently pursuing a Bachelor of Science degree in Information Technology, Web Multimedia and Animation from Kaplan University with an anticipated graduation date of October 2010.

I seek new opportunities where I can use my knowledge of radio and TV broadcasting, video production, graphics and Web site design. I am willing and eager to learn new things and believe that, with my knowledge and skills, I can support the mission of your organization and help it achieve its goals. Also, please note that I have Tourette Syndrome (TS). More information about TS is available at www.tsa-usa.org. My TS is manageable and I am fully capable of making productive contributions in a work environment.

I am available to meet with you to discuss your objectives and my background. You can contact me at (314) 791-0286. Thank you very much for your time and consideration. I look forward to hearing from you soon.

Sincerely Yours,

Mr. Bryan V. Hewing

2235 Bixley Drive #2
Chesterfield, MO 63017-8214

Skills

I have been trained on and worked with the equipment and technology needed for radio and TV broadcasts. I have experience writing news stories, editing news feeds, and creating news graphics. I also have experience with on-air radio work, including as a D.J. I have an exceptional ability to research information for news stories, using various Internet sources. I have built and maintained personal and non-profit Web sites, including sites for Neoga Pole People Online (Neoga, IL), Immaculate Conception Catholic Church in Mattoon, IL (from 2002-2006), and a call-in radio talk show I hosted and produced from Sept. 2004 until Sept. 2006. I have a working knowledge of Windows, Adobe Photoshop, Adobe Dream Weaver, and Fireworks, along with Microsoft Word, PowerPoint, and Excel – and their Corel equivalents: WordPerfect, Presentations, Quattro Pro Programs.
